

Four comedians at the top of the game share their side-splitting stories with Byron Allen, who began his career as a stand-up comic. To date, over 500 comics have appeared on the show, from headliners to groundbreaking up-and-comers. Comics Unleashed is shot in front of a live studio audience of 417 people, who provide additional energy through the screen and into your home.

The unmatched roster of talent on Comics Unleashed features veteran comics you know and love,
